Case No. A-0576-3

Decision No. 2007-061

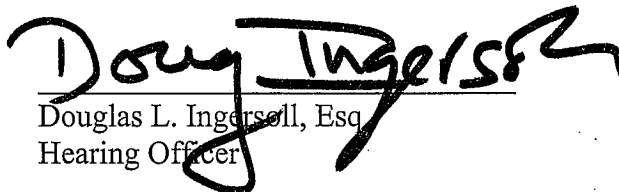

ORDER ON PETITION TO MODIFY

On November 27, 2006 the petitioner filed a petition to modify an existing bargaining unit. As reflected in the petition, the respondent did not agree with the proposed modification. On January 29, 2007 the respondent filed a copy of the petitioner's modification petition which the respondent signed. The petitioner did not sign this copy of the petition. Subsequent inquiry by this agency has confirmed that the petitioner and respondent are in agreement as to the proposed modification described in the November 27, 2006 filing.

Therefore, the petition filed on November 27, 2006 is granted, and the PELRB shall issue an amended certification reflecting the agreed upon modification.

So ordered.

April 18, 2007.
